WE WILL MAKE AMERICA GREAT AGAIN!

Dear (b) (6), (b) (7)(C),

First, I would like to thank the people of Montana, South Dakota, New Mexico, New Jersey and California.

I am honored by your support.

djt2.PNG

Together, we accomplished what nobody thought was possible – and we're only getting started.

Tonight, we close one chapter in history and begin another.

Our campaign received more primary votes than any GOP campaign in history. This is not a testament to me, but a testament to all the people like you who believed real change is possible.

We have received wide spread support, winning 37 states from New Hampshire, to Alabama, to California and everywhere in between.

djt3.PNG

You have given me the honor to lead the Republican Party to victory this fall, and I won't let you down. I will make you proud of your party, our movement and most importantly, our country.

To everyone who voted for me throughout this campaign: thank you.

djt5.PNG

My message continues to resonate and I know that my vision for the country is one that will make us stronger and better than ever before. Now more than ever we must be smart, we must be vigilant, and we must be tough. Every day moving forward – we must work to bring about all of the changes necessary to put an end to the destruction caused by the current administration.

I am going to be the best jobs President God ever created! We are going to revitalize our economy, rebuild our infrastructure, repeal and replace ObamaCare, strengthen our military, defeat ISIS, end illegal immigration and put America first!

djt7.PNG

This is a movement - it's about common sense and doing the right thing. I'm going to take care of people. I'm going to make sure this country comes first. As Americans, we have incredible potential and I am the leader this country needs to Make America Great Again.

Thank you again for your support.

Best Wishes,

MAKE AMERICA SAFE AGAIN!

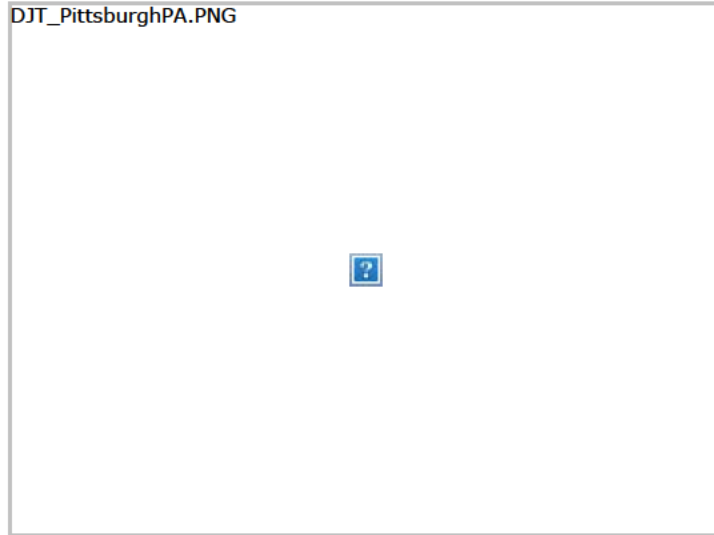

Dear (b) (6), (b) (7)(C),

The horrific attack that took place this past weekend reveals how weak the leadership is in our country. My thoughts and prayers go out to the many friends and families affected by the events in Orlando, Florida. I am going to be a President for all Americans, and I am going to protect and defend all Americans. We will not stand by and allow another tragedy like this to happen. We are going to make America safe again and great again for everyone.

As of last Tuesday, the primaries have officially ended and I received

more votes than any candidate in the history of the Republican party with big wins in California, Montana, New Jersey, New Mexico, and South Dakota. While we continue to unite the Republican Party we have started to direct our attention to November and making sure that Crooked Hillary never again steps foot in the White House.

ONE YEAR AGO: THE START OF A MOVEMENT

Dear (b) (6), (b) (7)(C)

A year ago today, many of you joined me at Trump Tower in calling for real change in Washington, D.C. I am proud to say that with your support we are well on our way to Making America Great Again! Since the moment I rode down the escalator on June 16th, 2015 and decided to run for president, my campaign has been filled with nothing but excitement, dedication, and passion to change our country for the better – and this is only the beginning of our movement!

A_Escalator.png

Yesterday in Atlanta, Georgia we had thousands of loving supporters. Earlier in the campaign we had a record-setting rally in Mobile, Alabama with over 30,000 attendees who joined our movement to Make America Great Again. I am honored and proud to lead our fight to put America first. This past year, I have traveled this great country and met many incredible Americans at our rallies.

A_Alabam.png

The Republican primary began with 17 experienced and talented candidates for president. Following the debate at the Ronald Reagan Library on September 16th, your overwhelming support showed that our

campaign has the message that resonates with hard-working Americans and that the DC-centric way of thinking is no longer capable of leading our country.

A_Debate.png

My campaign has been one of honesty and substance. We have created much-needed dialogue around the important issues facing our country. You've seen my leadership in setting the agenda this whole political season on both sides of the aisle. If I weren't running for president we wouldn't be talking about illegal immigration. We wouldn't be talking about the drugs pouring in and the bad trade deals costing American jobs. We wouldn't have called the terrorist attack in Orlando for what it is - radical Islamic terrorism.

A_TIME.png

The support of many wonderful Americans like you led to resounding victories in the Republican primary race, in which we beat the rigged political system and biased media with landslide victories. Our success began on February 9th with an emphatic win in New Hampshire and reached a high point with our victory in South Carolina on February 20th. We continued our success in Florida on March 15th followed by my home state of New York on April 19th – both huge turning points in our campaign. We had some tough losses along the way but with your support, we were able to bounce back and sweep the Connecticut, Delaware, Maryland, Pennsylvania and Rhode Island primaries on April 26th, along with other monumental wins throughout the primary season. The highlight was our win in Indiana on May 3rd - which made us the presumptive Republican nominee!

A_Sweep.png

A_Trump.png

The strong vote of confidence that the American voters have placed in our message of Making America Great Again has buoyed us to many victories and is truly heartwarming. While I am thankful for the phenomenal success we have enjoyed in the past year, it is just the beginning! I could not be more thrilled to be your presumptive Republican Presidential Nominee and to officially accept the GOP Nomination at the Convention in July. We must continue to strive towards beating Crooked Hillary in November and Making ALL of America Great Again!

A_MAGA.png

Thank you again for your support.

That's right. The FIRST ONE.

And, I'm going to help make it the most successful introductory fundraising email in modern political history by **personally matching every dollar that comes in WITHIN THE NEXT 48 HOURS, up to \$2 million!**

John, this means any donation you make between \$1 and \$2,700 (the maximum allowable contribution) will be matched, dollar-for-dollar.

Help make history by giving one of the amounts below:

\$10 DONATION [\$20 WITH MATCH]

\$20 DONATION [\$40 WITH MATCH]

\$25 DONATION [\$50 WITH MATCH]

\$50 DONATION [\$100 WITH MATCH]

\$100 DONATION [\$200 WITH MATCH]

ANOTHER AMOUNT TO MATCH

Even without this match, this initial effort would have been the most successful first fundraising email in history. I am certain of this. But let me tell you why I decided to match your donations.

The Democrats are desperate, and they're throwing everything they have at me. They just keep failing and losing.

Now they've sent out a very nasty email attacking me, all to raise a measly \$250,000. They even promise that a group of "all-star Democrats" will match every dollar raised.

They will say and do anything to elect Hillary Clinton, but I am standing in the way.

I'm fighting back against Crooked Hillary and her pathetic cronies, as well as the dishonest liberal media, and I need your help.

We can't let her back into the White House ever again.

The bottom line – Crooked Hillary has been a DISASTER for our country, and we must win against her this fall, John.

Let's make history again, and keep winning, by making this the most successful first fundraising email ever.

[Double your impact by donating today.](#)

Let's show the liberals, the professional pundits, and the Washington establishment that this campaign IS NOT ABOUT ME. It's a movement of hardworking, patriotic people who want to *MAKE AMERICA GREAT AGAIN*.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. Help me make my first ever fundraising email the most successful fundraising email ever sent in the history of modern politics. **Remember, I will PERSONALLY match your donation, but we must receive it WITHIN THE NEXT 48 HOURS.**

Yesterday my father sent his *first ever* fundraising email for the campaign and predicted it would shatter fundraising records.

Once again, my father was right.

Yesterday's email was a massive success. My father offered to match up to \$2 million personally, \$1 for every \$1 donated, and in less than 12 hours we surpassed that goal. All because of supporters like you.

If you missed the email, you can read it in full below.

We all know what a disaster Crooked Hillary would be for this country if she were elected. And the only way to stop her is to stand together and fight against her fraud and lies.

Hillary Clinton is a world-class liar.

This much is a fact. But watching the mainstream media, you would never know it.

They simply refuse to call her on her lies. They'd rather spend their time and energy attacking me. It's great for their ratings and their bottom line.

We know we cannot count on the media to spread the very important message that Hillary Clinton is a liar and can't be trusted.

And that's why we've decided to take that message directly to the American people.

We've unveiled a brand new website, [LyingCrookedHillary.com](#), and we're rolling out a series of videos – one on each of her biggest, phoniest fibs

and fabrications.

We released the first video earlier today and *EVERYONE* is talking about it. I wanted to ensure you had a chance to view it. [Watch it here](#):

Donald J Trump

This first video covers her well-documented lying about Benghazi.

But, you just wait. We have 9 additional videos that will cover everything from her illegal email server to her laughable claim of being "dead broke" upon leaving the White House.

I want to make sure you don't miss any of the future videos because – trust me – you don't want to miss them. **They will expose Hillary as a liar in a way the mainstream media never would.**

(b) (6), (b) (7)(C),

This was a HUGE week for Team Trump.

On Tuesday, Mr. Trump sent out the very first fundraising email of this campaign. It was a record-shattering success. If you were able to help, thank you.

And if you just haven't had a chance to yet, [please take a moment to chip in today.](#)

CHIP IN \$5

Our goal was to raise \$2 million in 48 hours, which Mr. Trump committed to match \$1 for \$1. **It took just 12 hours to hit this mark – *stunning* the Clinton campaign and the liberal media!**

Donald J Trump

On Wednesday, Mr. Trump hit it out of the park when he delivered a scathing indictment of world-class liar Hillary Clinton's disastrous record and dangerous agenda.

It has been hailed as the speech conservative Republicans have been waiting decades to hear from their presidential nominee.

John, will you stand with Team Trump at this critical stage of the campaign with a \$10, \$25, \$50, or \$100 contribution, or more if you can?

[Donald J Trump](#)

On Thursday we launched the "Lying Crooked Hillary" campaign – a new website and series of videos detailing Clinton's Legendary Lies. The first video has already received an amazing 2.5 million views, and nine more videos will be released in the weeks ahead.

John, Team Trump is taking the fight to Lying Crooked Hillary like nobody has ever done before.

And on Friday, Mr. Trump released a powerful statement commending UK voters for taking a stand for freedom and independence. They voted to take their country back and determine their future, just like the American people can do on November 8, 2016.

To win on Election Day we must continue building our momentum. Please chip in today to help us make voters believe in America again.

Please stand with us to make Donald J. Trump the next President of the United States.

Thank you,

Paul Manafort

Campaign Chair and Chief Strategist, Trump for President

WE HAVE ANOTHER BOLD GOAL FOR THIS THURSDAY
PLEASE READ ABOUT MY FATHER'S PLANS BELOW

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

[Today, I am honored to kick off his most ambitious fundraising campaign yet.](#)

(b) (6), (b) (7)(C) Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. ***Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying.***

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

That's why we set another Trump-sized goal. We are working to shatter records again this week – **by raising another \$10 million** before the Federal Election Commission's 2nd quarter fundraising deadline this **Thursday at midnight**. Afterwards, our results will be covered heavily by the media.

[Join my father and me, and chip in a \\$10, \\$20, \\$50, \\$100, or \\$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?](#)

We are fighting as a family and a very fed-up country to build this historic effort, and bring voters over to Team Trump. The support of friends like you over the last week is making a huge impact.

Every day we're reaching more and more people, (b) (6), (b) (7)(C) – **convincing them that a Trump presidency will mean they can finally believe in American again.**

I know that my father has the vision, determination and tenacity to get great things done for our country – something he's proven throughout his life and career. I've worked side by side with him in business, and I've watched him up close in action my entire life.

Donald J. Trump is the man our nation needs in the White House at this moment. Please help us make history.

No fight is too tough for my father. He had no problem taking on the political establishment to secure the Republican nomination, and now he's going after Lying Crooked Hillary Clinton in a way that no one has ever gone after her before.

Friend,

WE HAVE ANOTHER BOLD GOAL FOR THIS THURSDAY
PLEASE READ ABOUT MY FATHER'S PLANS BELOW

Anyone who knows me knows exactly what I think about Donald J. Trump.

He is an amazing man – there is nobody I admire more. I consider him my best friend, and could not be more proud that he is my father.

[Today, I am honored to kick off his most ambitious fundraising campaign yet.](#)

Friend, Hillary Clinton's campaign machine and her liberal media allies are desperate. First, they claimed we raised too little. ***Then, when donors like you helped us to raise \$11 million in just a few days, they claimed we were lying.***

The truth is we did better than \$11 million and no amount of spin from Crooked Hillary's machine can change that fact. We cannot let them get away with this.

That's why we set another Trump-sized goal. We are working to shatter records again this week – **by raising another \$10 million** before the Federal Election Commission's 2nd quarter fundraising deadline this **Thursday at midnight**. Afterwards, our results will be covered heavily by the media.

[Join my father and me, and chip in a \\$10, \\$20, \\$50, \\$100, or \\$250 contribution today. Will you help us SHOCK Hillary Clinton and the political establishment?](#)

DONATE NOW

We are fighting as a family and a very fed-up country to build this historic effort, and bring voters over to Team Trump. The support of friends like you over the last week is making a huge impact.

Every day we're reaching more and more people, Friend – **convincing them that a Trump presidency will mean they can finally believe in American again.**

I know that my father has the vision, determination and tenacity to get great things done for our country – something he's proven throughout his life and career. I've worked side by side with him in business, and I've watched him up close in action my entire life.

Donald J. Trump is the man our nation needs in the White House at this moment. Please help us make history.

No fight is too tough for my father. He had no problem taking on the political establishment to secure the Republican nomination, and now he's going after Lying Crooked Hillary Clinton in a way that no one has ever gone after her before.

The Clinton campaign and the dishonest media are desperate to stop our momentum. Now they're lying about our fundraising, and dismissing the strength of our growing "Team Trump" grassroots army.

Eric explains below why we've set a **Trump-sized \$10 million fundraising goal** – which would SHOCK Hillary Clinton and the political establishment – **and we now have less than 72 hours to make it happen.**

We need your help to show Hillary Clinton, her political cronies and her Wall Street and liberal media friends that the Trump movement is **growing stronger every day.**

Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades:

INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

You see, Crooked Hillary is a world-class liar. It's well-documented.

As I highlighted in my speech last week, during the Clinton Presidency, there were many, many scandals. TravelGate, Whitewater. The personal destruction of Monica Lewinsky. The Rose Law Firm scandal. And, of course, *anything* involving Sydney Blumenthal.

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: Scandal, lies, and deceit follow Hillary wherever she goes.

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: [If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.](#)

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair Washington Post that hates me was forced to admit that it was the "most

successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

But I will not stop there. I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. (b) (6), (b) (7)(C) **together, we are going to raise \$10 million before the June 30th FEC deadline.**

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: **INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.**

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. Friend, **together, we are going to raise \$10 million before the June 30th FEC deadline.**

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: **INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.**

Friend,

Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades:

INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

You see, Crooked Hillary is a world-class liar. It's well-documented.

As I highlighted in my speech last week, during the Clinton Presidency, there were many, many scandals. TravelGate, Whitewater. The personal destruction of Monica Lewinsky. The Rose Law Firm scandal. And, of course, *anything* involving Sydney Blumenthal.

It comes as no shock then that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: Scandal, lies, and deceit follow Hillary wherever she goes.

The latest nasty lie from Hillary? That she is crushing me in fundraising.

This claim is laughable. I can write my campaign a check at any time (and have).

Yet, all over the news last week, Democrats and Hillary's surrogates breathlessly tried to deceive Americans into believing that we were getting crushed. I was shocked at the nerve of them because I did the right thing by funding my own campaign and cutting out the special interests.

Only Democrats and the biased media would think this is a bad thing. Why? Because they are members of the rigged system that puts their interests ahead of the interests of the American people.

So, I decided this: [If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.](#)

I took matters into my own hands just to prove them wrong. So, I sent out my first ever fundraising email.

We raised over \$2 million . . . IN JUST 12 HOURS. Within a few days, we had raised over \$11 million.

It was so historic and unprecedented that the liberal and unfair Washington Post that hates me was forced to admit that it was the "most successful fundraising effort in American politics."

In short, we made them eat their words. We beat them at their own game.

[But I will not stop there. I didn't start this fight . . . but I WILL end it.](#)

And, I will end it on my terms by raising an additional \$10 million before June 30th. Yes, you read that right, Crooked Hillary. I know you and your campaign minions read these emails.

June 30th is the deadline to report funds raised to the Federal Election Commission. It's the same deadline in May that Crooked Hillary tried to make a huge story.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do: [INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES](#).

From *www.burp.it* the first results with:

Just with the SQL engine, we can write a query to find all the records in the database, we have all the data, the page ID is:

The `getValues` method returns the values of the properties specified in the `keys` array. If the `keys` array is empty, the method returns the values of all the properties of the object.

In this example, the `getValues` method is used to get the values of the `name` and `age` properties of the `person` object. The output of the code is:

```

    {
      name: 'John',
      age: 30
    }

1. I don't like you at all.

[illegible]

1. **What is the purpose of the `main` function in a C program?**
 The `main` function is the entry point of a C program. It is the first function that is executed when the program starts.

2. **How do you declare a variable in C?**
 A variable is declared by specifying its data type followed by the variable name. For example, `int x;` declares an integer variable named `x`.

3. **What is the difference between a variable and a constant in C?**
 A variable is a memory location whose value can change during the execution of a program. A constant is a memory location whose value cannot change.

4. **How do you write a comment in C?**
 Single-line comments are written using the `//` symbol. Multi-line comments are written using the `/*` and `*/` symbols.

5. **What is the purpose of the `printf` function in C?**
 The `printf` function is used to print data to the standard output device (usually the screen).

6. **How do you read data from the user in C?**
 The `scanf` function is used to read data from the standard input device (usually the keyboard).

7. **What is the difference between a loop and a conditional statement in C?**
 A loop is a statement that is executed repeatedly until a certain condition is met. A conditional statement is a statement that is executed only if a certain condition is met.

8. **How do you declare an array in C?**
 An array is declared by specifying its data type followed by the array name and its size in square brackets. For example, `int arr[10];` declares an array of 10 integers.

9. **What is the purpose of the `sizeof` operator in C?**
 The `sizeof` operator is used to determine the size of a variable or a data type in bytes.

10. **How do you declare a pointer in C?**
 A pointer is declared by specifying its data type followed by the pointer name and an asterisk. For example, `int *ptr;` declares a pointer to an integer.

11. **What is the difference between a pointer and a reference in C?**
 A pointer is a variable that stores the memory address of another variable. A reference is a variable that is an alias for another variable.

12. **How do you declare a structure in C?**
 A structure is declared using the `struct` keyword followed by the structure name and its members in curly braces. For example, `struct person { int age; char name[50]; };` declares a structure named `person` with two members: `age` (an integer) and `name` (a character array).

13. **What is the purpose of the `typedef` keyword in C?**
 The `typedef` keyword is used to create a new name for an existing data type.

14. **How do you declare a union in C?**
 A union is declared using the `union` keyword followed by the union name and its members in curly braces. For example, `union person { int age; char name[50]; };` declares a union named `person` with two members: `age` (an integer) and `name` (a character array).

15. **What is the difference between a union and a structure in C?**
 A union is a data type that can store one of several different types of data. A structure is a data type that can store multiple different types of data.

16. **How do you declare an enumeration in C?**
 An enumeration is declared using the `enum` keyword followed by the enumeration name and its members in curly braces. For example, `enum day { MON, TUE, WED, THU, FRI, SAT, SUN };` declares an enumeration named `day` with seven members: `MON`, `TUE`, `WED`, `THU`, `FRI`, `SAT`, and `SUN`.

17. **What is the purpose of the `enum` keyword in C?**
 The `enum` keyword is used to declare an enumeration.

18. **How do you declare a function in C?**
 A function is declared by specifying its return type followed by the function name and its parameters in parentheses. For example, `int add(int x, int y);` declares a function named `add` that takes two integers as arguments and returns an integer.

19. **What is the purpose of the `return` statement in C?**
 The `return` statement is used to return a value from a function.

20. **How do you declare a macro in C?**
 A macro is declared using the `#define` keyword followed by the macro name and its arguments in parentheses. For example, `#define ADD(x, y) x + y` declares a macro named `ADD` that takes two arguments and returns their sum.

21. **What is the purpose of the `#include` directive in C?**
 The `#include` directive is used to include a header file in a C program.

22. **How do you declare a typedef in C?**
 A typedef is declared using the `typedef` keyword followed by the data type, the typedef name, and an equals sign. For example, `typedef int my_int;` declares a typedef named `my_int` for the `int` data type.

23. **What is the purpose of the `typedef` keyword in C?**
 The `typedef` keyword is used to create a new name for an existing data type.

24. **How do you declare a union in C?**
 A union is declared using the `union` keyword followed by the union name and its members in curly braces. For example, `union person { int age; char name[50]; };` declares a union named `person` with two members: `age` (an integer) and `name` (a character array).

25. **What is the difference between a union and a structure in C?**
 A union is a data type that can store one of several different types of data. A structure is a data type that can store multiple different types of data.

26. **How do you declare an enumeration in C?**
 An enumeration is declared using the `enum` keyword followed by the enumeration name and its members in curly braces. For example, `enum day { MON, TUE, WED, THU, FRI, SAT, SUN };` declares an enumeration named `day` with seven members: `MON`, `TUE`, `WED`, `THU`, `FRI`, `SAT`, and `SUN`.

27. **What is the purpose of the `enum` keyword in C?**
 The `enum` keyword is used to declare an enumeration.

28. **How do you declare a function in C?**
 A function is declared by specifying its return type followed by the function name and its parameters in parentheses. For example, `int add(int x, int y);` declares a function named `add` that takes two integers as arguments and returns an integer.

29. **What is the purpose of the `return` statement in C?**
 The `return` statement is used to return a value from a function.

30. **How do you declare a macro in C?**
 A macro is declared using the `#define` keyword followed by the macro name and its arguments in parentheses. For example, `#define ADD(x, y) x + y` declares a macro named `ADD` that takes two arguments and returns their sum.

31. **What is the purpose of the `#include` directive in C?**
 The `#include` directive is used to include a header file in a C program.

32. **How do you declare a typedef in C?**
 A typedef is declared using the `typedef` keyword followed by the data type, the typedef name, and an equals sign. For example, `typedef int my_int;` declares a typedef named `my_int` for the `int` data type.

33. **What is the purpose of the `typedef` keyword in C?**
 The `typedef` keyword is used to create a new name for an existing data type.

34. **How do you declare a union in C?**
 A union is declared using the `union` keyword followed by the union name and its members in curly braces. For example, `union person { int age; char name[50]; };` declares a union named `person` with two members: `age` (an integer) and `name` (a character array).

Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades:

INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

GIVE \$5 TO STOP HILLARY

GIVE \$10 TO STOP HILLARY

GIVE \$20 TO STOP HILLARY

GIVE \$50 TO STOP HILLARY

DONATE TO STOP HILLARY

You see, Crooked Hillary is a world-class liar. It's well-documented.

During the Clinton Presidency, there were many, many scandals. [TravelGate](#), [Whitewater](#). The personal destruction of [Monica Lewinsky](#). The [Rose Law Firm](#) scandal. And, of course, *anything* involving [Sydney Blumenthal](#).

It's no surprise that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: **Scandal, lies, and deceit follow Hillary wherever she goes.**

We CANNOT let her win.

GIVE \$5 TO STOP HILLARY

GIVE \$10 TO STOP HILLARY

GIVE \$20 TO STOP HILLARY

GIVE \$50 TO STOP HILLARY

DONATE TO STOP HILLARY

The latest nasty lie from Hillary? That she is crushing me in fundraising.

So, I decided this: [If the Democrats and liberal media want to make fundraising an issue in this campaign . . . I WILL MAKE IT AN ISSUE.](#)

I didn't start this fight . . . but I WILL end it.

And, I will end it on my terms by raising an additional \$10 million before June 30th.

June 30th is the deadline to report funds raised to the Federal Election Commission.

Your donation will once again silence Hillary and the liberal media that hates me so much.

And, with your immediate donation, the American people can finally do in November what the Federal authorities have been unable or unwilling to do:

[INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.](#)

Thank you again for standing with me at this historic turning point for our nation. Together, we will finally rid the country of that world-class liar, Crooked Hillary Clinton.

Best Wishes,

Donald J. Trump

Candidate for President of the United States

P.S. If Hillary and the Democrats want to make fundraising an issue, we will make it an issue. I didn't start this fight, but I WILL end it. **Together, we are going to raise \$10 million before the June 30th FEC deadline.**

We will make Hillary eat her words and help the American people do in November what the Federal authorities have been unable or unwilling to do: **[INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.](#)**

Friend

Every Election Day, politicians stand trial before the people.

The voters are the jury. Their ballots are the verdict.

And, on November 8th, the American people will finally have the chance to do what the authorities have been too afraid to do over these last 2 decades:

INDICT HILLARY CLINTON AND FIND HER GUILTY OF ALL CHARGES.

GIVE \$5 TO STOP HILLARY

GIVE \$10 TO STOP HILLARY

GIVE \$20 TO STOP HILLARY

GIVE \$50 TO STOP HILLARY

DONATE TO STOP HILLARY

You see, Crooked Hillary is a world-class liar. It's well-documented.

During the Clinton Presidency, there were many, many scandals. TravelGate, Whitewater. The personal destruction of Monica Lewinsky. The Rose Law Firm scandal. And, of course, *anything* involving Sydney Blumenthal.

It's no surprise that the scandals and lying didn't stop once the Clinton's left office . . . Benghazi . . . Her illegal email server . . . The donations from terrorist nations to the Clinton Foundation. The list goes on and on.

This much is certain: **Scandal, lies, and deceit follow Hillary wherever she goes.**

We CANNOT let her win.

GIVE \$5 TO STOP HILLARY

GIVE \$10 TO STOP HILLARY

GIVE \$20 TO STOP HILLARY

GIVE \$50 TO STOP HILLARY
